

## **Privacy Notice – Future Camden Fund**

The Future Camden Fund is a small grant and loan fund for small businesses, who are or who want to deliver social impact in Camden – for example creating employment, promoting inclusion, supporting wellbeing and action against climate change and environmental protection. The funding specifically seeks to support communities who are demonstrably under-represented in business finance. As well as financial support, successful applicants can access tailored business support through culturally competent and social impact specialist support providers.

### **What information we collect?**

The Future Camden Fund collects the following data;

- Personal data
  - **Through expression of interest and application stage:** Name, email address, business address, telephone, job title.
  - **If you are awarded funding:** Age, gender, ethnicity and disability. If you do not wish to disclose this information you have an option to select 'Prefer not to say'.
- Category data on the groups your organisation benefits and the thematic areas you work in
- Financial information about your business (audited accounts, annual income, and other documents to demonstrate income generation).

### **How we collect your data?**

You will be asked to provide your data directly to us when you;

- Complete the Future Camden Fund Expression of Interest process
- Complete the full application form
- Sign a grant/loan agreement
- Provide Equalities, Diversity and Inclusion data after signing your grant/loan agreement
- Provide grant monitoring information on your project

### **How will we use your data?**

We collect your data so that we can;

- Evaluate whether your business meets the fund criteria
- Pass your contact details to the business support providers – Magnificent! ([www.desburkinshaw.com](http://www.desburkinshaw.com)) and Action for Race Equality ([www.actionforraceequality.org.uk](http://www.actionforraceequality.org.uk)) if you wish to receive this support.
- Evaluate whether the Future Camden Fund is meeting its objectives
- For successful applicants, your EDI data, category data and financial information will be shared in an anonymous and aggregated format to a third party – School for Social Entrepreneurs ([www.the-sse.org](http://www.the-sse.org)) from whom we

have licensed the Match Trading funding model ([www.the-sse.org/about-school-for-social-entrepreneurs/match-trading](http://www.the-sse.org/about-school-for-social-entrepreneurs/match-trading)). SSE will analyse the data by to gain a better understanding of trading performance under the Match Trading funding model.

- We also share aggregated and anonymous EDI data to UKSPF – the Government's Shared Prosperity Fund – who support the programme financially and require this data on businesses we fund through the Future Camden Fund.
